

## KAMLOOPS ARTS COUNCIL'S ART EXPOSED HANGING REQUIREMENTS:

**ID Tags must be attached to each piece of artwork and pieces will be checked for proper hanging apparatus. If these are not suitable, you will be asked to bring your artwork back when fixed.**

### 2D GUIDELINES

- Pieces must be framed in a professional manner, unless it is not appropriate to do so.
- Frameless picture mounts are NOT acceptable.
- Pieces must have a proper wire at the back for hanging (saw tooth hangers are NOT acceptable).
- Wire must be 2 to 3 inches from the top of the piece, but not sticking out over the top.
- Pieces on canvas must be finished (stapled and wrapped around the back and be painted or finished on all sides). A wire hanging system is still required. Framing is optional.
- All glass pieces must be hung by the artist.
